Tuition charges are not typically adjusted unless a student is taking fewer than 10 credits. Please see the College Catalog Charges section at: <http://docs.lclark.edu/undergraduate/costs/charges/>

Underloading may affect your ability to receive benefits or participate in co-curricular activities. Please check with the appropriate offices/departments if you are an International Student, receive Financial Aid, receive Veteran's benefits, or participate in Student Athletics.

It is strongly recommended that you consult with your academic advisor about this proposed action.
