

We are committed to providing a meaningful and accessible experience for everyone who attends the symposium. If you would like to request a specific accommodation, please contact the symposium organizers at rwchairs@lclark.edu and we will do our best to make the necessary arrangements. Unfortunately, many spaces at Lewis & Clark College are not fully accessible, particularly by wheelchair. If you contact us in advance, we can work with you more fully.

If you would like a large-format printed program or other large-format materials, please contact the symposium organizers directly.

We ask that symposium participants remain fragrance free as much as possible so the symposium can remain an accessible space for people with chemical sensitivities.

Smoking on campus—specify policy, explain where Designated Smoking Areas are

We are sorry that we are unable to provide childcare during the symposium.
