

Lewis & Clark College Class of 1981 35th Reunion: June 23-26, 2016

June 2016 marks 35 years since we graduated from Lewis & Clark College. A group of volunteers is currently working on Alumni Weekend and Summer Reunions, June 23-26, 2016. We hope that you will plan to join us on campus for our 35th reunion. Don't miss this celebration!

Some of us were able to get together on December 5th on Palatine Hill. We are planning an amazing reunion for the class of 1981. Plan to stay in an apartment on-campus with your family for only \$50 per bed per night or a residence hall for just \$41 per bed per night!

This special reunion celebration is a great way to reconnect with old friends and see the changes on campus. Particular highlights of the reunion will be our class dinner and the Northwest Salmon Bake. There will be an on campus pub crawl where alumni beer and wine, along with non-alcoholic drinks, will be served in different venues on campus. One of the stops will feature musicians from the class of 1981: Jed Emerson, Bob Logue, Stephen "Hoss" Hochbrunn and possibly a few more. Overseas reunions for the Israel and Kenya groups are in the works plus much more!

Make sure to visit our reunion website: go.lclark.edu/college/reunion/1981 where you can find names of people who are planning to attend. You can also get information on this page about volunteering with the committee. We'd love you to join us; the more the merrier!

We want to make our reunion as meaningful as possible. We are hoping to create many opportunities for gatherings for affinity groups, like performing groups, student government, athletics and social or fraternal groups. If you were involved with any particular affinity group with whom you would like to reconnect, please contact us to volunteer as a leader for that group.

If you have any questions or would like more information, please feel free to contact our staff reunion coordinator, Ginger Moshofsky '83 at 503-768-7444 or ginger@lclark.edu.

Happy New Year to you and yours! Mark your calendars and we'll see you in June!
