

Gender in the City Internship

Fall Semester 2017

GEND 445 | T/Th 9:40-11:10 AM | Prof. Deborah Heath

Feminist theory + Praxis: Take Action!

Community-based participant observation, exploring gender issues in human services or advocacy organizations through a supervised internship and companion seminar. Theoretical and methodological frameworks for participatory action research are explored through readings, class discussion, and writing assignments.

Prerequisites: Two Gender Studies courses or instructor permission: heath@lclark.edu.

Restrictions: Junior standing required.
