

Registration Worksheet

- 1. My Exploration and Discovery section assignment (CORE-106-XX): _____
Your assignment will be emailed to you on July 7.
- 2. List the courses you would like to register for during the first and final rounds of summer registration, starting with department and course number and then title. To the right of your list, indicate which courses fulfill a general education requirement, which courses help you explore a possible major, and which elective courses you want to take just because they sound interesting, exciting, or challenging. Be sure these courses are in your Preferred Sections list on WebAdvisor.
