

BOARD OF ALUMNI REPORT
February 2018

BOA Liaison – Athletics – Grant Frey

POC – Athletics – Monica Baker, Associate Athletics Director – External Relations

UPDATES:

In addition to record breaking number for this year's 40th celebration of the Hall of Fame dinner, the department held a very successful Perspective Student-Athlete Weekend in September welcoming 49 prospective students to campus for the weekend. In November the department hosted our annual Hawaii Recruiting Event for over 100 prospects and their families.

This year's week-long Homecoming Challenge proved to be a great success and has added greatly to the increase seen in both dollars and the number of donors to the athletic department and individual sports teams. Targeted directly to current athletic parents and alumni together we raised a total of \$27,977 as well as an additional \$20k match (expected to be recorded later this year) for Pioneer Athletics.

PAC GOLF CLASSIC:

In its 26th year, plans for the Pioneer Athletics Club Golf Classic are well underway and will be held as part of alumni weekend on Monday, June 25th at The Reserve Vineyards & Golf Club.

Along with lunch, drink tickets and dinner this year's event will feature a Nike tournament store and a \$50 gift certificate for each participant. A great alumni or corporate opportunity, I hope you will reach out to alumni, vendors and friends and encourage them to pull together a foursome for this fun shotgun style tournament.

A full listing of this year's opportunities can be found online at www.lcpioneers.com under the "Fan Zone" tab.
