La Ratoncita Presumida (The Vain Little Mouse)

A **bilingual (Spanish/English)** folktale from Venezuela, our tiny heroine thinks herself much too fine to accept the proposal of a common mouse, as in love with her as he may be. Indeed, she sets her sights on 'worthier' matches, like the sun, the wind and the mountain. Yet, her search for a perfect suitor worthy of her love brings her right back to the romantic little mouse who first proposed. Only now, La Ratoncita has learned to see her admirer's true worth, not to mention the importance of being humble... at least a little.

This production features **Venezuelan folk music**, a puppet set shaped like a Venezuelan tabletop mountain, adorable puppets, and a costumed performer

About the performer:
