

## 2011-2012 Finance Committee Membership Application

Like money? Do you want to help decide where the student fee money goes? Or perhaps you've had a meaningful or fun experience at a major L&C event and you want to help be responsible for funding many of them. Maybe you just want to bring a fresh new thought to how we decide what to fund with our dollars. If this is you then look no further than joining the **Finance Committee** for the 2011-2012 academic year. Finance Committee is in charge of allocating some of the surplus funds from the 2011-2012 budget allocation process that took place last semester to people or student groups interested in enhancing the L&C experience in various ways. On a side note Finance Committee is a great way to have a blast with awesome people AND it's a great *resume builder*.

All students are welcome to apply. Finance Committee will be the most successful if we have people who are passionate about campus life and want to create a meaningful and lasting impact on L&C students by funding and bringing to fruition *real* grassroots student ideas. Differing opinions, interests, and backgrounds among members are welcome and equally considered. There will be weekly meetings.

Applications are due on or before Thursday, September 15 by 5PM in the Cabinet office (slide under the door if no one is there) or email them to [finance@lclark.edu](mailto:finance@lclark.edu).
