## **Lewis & Clark**

## Financial Conflict of Interest Disclosure Statement for Researchers with External Funding from the National Science Foundation and/or the National Institutes of Health

**Required Disclosure:** Each time an application is submitted to either the Public Health Service/U.S. Department of Health and Human Services or the National Science Foundation, each Investigator who is planning to participate in the funded research is required to submit to the Dean of his/her respective school (or the Dean's designee) a listing of known Significant Financial Interests associated with the proposed research (and those of his or her spouse and dependent children).

**Certification:** I hereby certify that I have read and understand Lewis & Clark's Policy on *Conflict of Interest for Grant Funded Research*. I am disclosing the following significant financial interests (check one or more) and attach supporting documents (in an envelope marked "confidential") that identify the business entity or enterprise involved and the nature and amount of the interest.

Please note if this form is being completed PRIOR to proposal submission, as an ANNUAL update, or because NEW REPORTABLE interests have been identified	
Funding Agency
