

## Alumni Weekend, June 20-23, 2024!

Greetings,

We laughed with *Three's Company*. We cried at *Kramer vs. Kramer*. We grabbed sandwiches and grooved to concerts at The Rusty Nail. We attended Homecoming, after a long hiatus, and we heard Garry Trudeau speak at our commencement. It's hard to believe that this June marks 45 years since we graduated from Lewis & Clark!

**Let's celebrate! We invite you to join us June 20 - 23, 2024 back on Palatine Hill!**

Choosing Lewis & Clark was a critical step in determining our identities, and if you haven't visited campus in a while, seriously, it's time. Amazing changes have taken place over the last 40 years. The residence halls are fabulous. Templeton Hall has been completely renovated and renamed Fowler Student Center. The campus grounds are more gorgeous than ever. There are also many new facilities that enhance academic life. Yet, despite all the changes, LC maintains the same great culture of lifelong learning, uncommon journeys, leadership in service, excellence in faculty research and student collaboration, and local and global engagement.

You can even choose to really immerse yourself in the experience and stay in the heart of campus in the newly renovated, **air conditioned**, Odell Hall! Take in the incredible renovation of the Student Center and maybe have a beer or a glass of wine in the reimagined Trail Room. Connect with current students to learn what life is like on campus and what fuels their passions as future alumni. Make sure to visit the [reunion website](#) to get all the details of our big celebration.

We invite you to join us, the Class of 1979 Reunion Committee Volunteers (*Katie Weil Byrnes, Chris Johnson Deffebach, Maggie Koenig Englund, Paul Green, Julie Jones Manning, and Kim Warren Zeren*) in the planning of our 45th reunion. Email our Class of 1979 coordinator, Amanda Valley [avalley@lclark.edu](mailto:avalley@lclark.edu) and let her know you are interested.

**Registration opens in February. Mark your calendars and we'll see you in June!**

As we plan to gather and remember the good times we shared at Lewis & Clark, we invite you to consider making a [lasting contribution](#) to our alma mater, helping to ensure the legacy of our cherished memories for generations to come. Your support, no matter the size, will make a significant impact, and we are truly grateful for any consideration you may give.
