

January 2016

**Save the Date: June 23-26, 2016 Lewis & Clark College Class of 1986 30<sup>th</sup> Reunion**

Remember 1986? Top Gun? Hands Across America? Al Capone's Vault? How about Chernobyl or Iran-Contra? How is it that those events seem so distant, but our graduation from LC 30 years ago seems like yesterday? Let's get together next June to try to make sense of it. Plan to join us on Palatine Hill June 23-26, 2016 for Alumni Weekend and our 30<sup>th</sup> Class Reunion!

In December, a small group of us gathered on the LC campus to lay the groundwork for Alumni Weekend 2016. Preliminary plans are taking shape now for the celebration, which will include a class dinner, family pool party on lower campus, a traditional Northwest Salmon Bake, overseas program reunions and more. We really want you to be a part of it.

This special celebration is a great way to reconnect with old friends and see how the campus has changed since you last visited. For the full nostalgic immersion (and a great deal), plan to stay in a campus apartment with your family for only \$50 per person, or a residence hall for just \$41 per person!

Watch your inbox for more details, but visit our reunion website right away: [college.lclark.edu/offices/alumni/reunions/1986/](http://college.lclark.edu/offices/alumni/reunions/1986/) to register and see who else is planning to attend. Rally your friends. "Like" our Facebook page: "Lewis & Clark College Class of 1986" and use it to see what other plans our classmates are working on.

If you have any questions or ideas, or would like to volunteer to help, contact our staff reunion representative, Emily (Nelson) Decker at 503-768-7838 or [emily@lclark.edu](mailto:emily@lclark.edu). Emily will keep our planning on track and connect us with college resources to help make ours the best 30<sup>th</sup> reunion ever.

Happy New Year to you and yours. Make it your first resolution to take the rare opportunity to reconnect with an important time and place in your life. Mark your calendar, and we'll see you at Lewis & Clark in June!
