SINGLE ROOM REQUEST

MID-YEAR LOTTERY

Name:_____Gender:_____ Class:_____

Current Room Assignment:_____ Email: _____

Please let us know the specific circumstances you believe warrant an assignment to a single room. If you have a medical or psychological reason, a doctor's written verification would be helpful to your request. Please complete this form and bring it with you to the Housing Lottery for Spring Semester in November.

Please note that singles are awarded based on seniority and special circumstances. Lottery numbers for single rooms will be used when two or more students "competing" for a single room have similar seniority and situation. **Completion of this form does not guarantee an assignment to a single room.**
