

Lewis & Clark College Class of 1982 Reunion: June 22-25, 2017!

Hate to tell ya, but it's been 35 years since we've seen each other! Better late than never! So... c'mon! Let's meet up at the reunion! Save the dates: **June 22-25, 2017!**

Now is the time to reconnect because you never know when Mt. St. Helen's is going to blow again!

Remember SAGA? Remember the food that was a little too healthy to be really delicious? Well, we promise that the food from the new campus food service, the Bon, will be scrumptious!

Did you know that the Rusty Nail is still around? Well, except it is not as cool as when we ran it! They are selling coffee and tea there now but no cookies! And it's in Forest!

Do you remember all the fun we had at the keggers in Platt-Howard and the International student parties? Well there will be plenty of fun (and some beer) during Alumni Weekend!

Seriously, though, we hope to see you out here this June! We really want to make this reunion the most memorable one ever! Here is the link to our reunion page: go.lclark.edu/reunion/1982. Registration will open in early February.

Call your friends, check out the website, see who's registered so far and encourage others to sign up and join in on the fun! We will be having a slideshow at our class dinner! So, please send in your pictures from our days at Lewis & Clark. Email your pictures to Joe Iliscupidez '16, our class coordinator, at jiliscupidez@lclark.edu.

If you have any questions, Joe Iliscupidez would be happy to help and you can reach him at 503-768-7998 or jiliscupidez@lclark.edu. Of course, you can contact any of us as well!

See you there!

Be there! Aloha!
