

REQUEST FOR REGISTRATION WITH TIME CONFLICTS

Attendance and class participation are important both for successful completion of coursework, and also for class dynamics that depend on involved interaction. Registering for courses with time conflicts is discouraged for all students, and is not allowed for freshmen.

Maximum time conflict overlaps are:

- 30 minutes per week if all involved courses are 4-5 credits
- 20 minutes per week if any involved course is 2-3 credits
- 10 minutes per week if any involved course is 1 credit
