## DIVISION HIGHLIGHTS

### Department Narratives

The committee would like to thank all departments for working with us in developing their departmental narrative for accreditation. We appreciate your commitment to our assessment efforts, and remind you that your department liaisons are here to assist you if you have any questions!

Here you have a highlight from the Student Activities' assessment narrative:

*"In addition to continuing our numerous collaborative events with academic departments, the offices of Inclusion & Multicultural Engagement, Conferences & Events, Dean of Students, Office of the President, Campus Living, and Students Rights & Responsibilities, we provided new, substance-free, alternative programming during Welcome Week, and holidays and breaks; collaborated with new offices such as College Outdoors and Alumni & Parent Programs; and implemented an 'accessibility policy' where all films and videos shown on campus must include closed captioning for individuals with auditory impairments"*

## SENIOR SNAPSHOT SURVEY

As we reached the end of the academic year, it's important to encourage our seniors to [fill out the Senior Snapshot Survey](#)! If you have a L&C graduate in your life, please remind them to fill out the survey, and don't forget to mention that they get entered into a drawing for one of five \$200 gift cards just by participating.

If their plans change after filling out the survey, they can fill it out again.

The survey takes no more than two minutes, and it helps us understand what our students are doing post-graduation and it will inform future program development and our efforts in helping PIOs be successful!
