REPORT OF THE CHAPTERS

Committee Members: Barbara Whitaker and Edgard Garcia

Information gathered to date from meetings/dialogs with Josh Walters, Michael Davis, Ginger Moshofsky, Andrew McPheeters, Mike Holtzclaw, and Vicki Kreimeyer for the purpose of gathering information. A repeated message received, from presentations by Wim Wiewel, is that we need active Chapters nationwide/internationally. Institutional Advancement Office agrees. Clear statements received from all is that Alumni Office needs to be involved, to include time, clerical resources, budget, support, counsel, etc. Yet minimal monetary resources are available at the onset, as the College works to restructure.

Proposing these models for attention this summer/fall:

- Portland (2019)...Hillary Dixon (or???) input
Athletics, arts etc.
- San Francisco Bay Area (2019)...Mike Holtzclaw input
Possibly San Francisco and Marin County
Possibly San Jose and South Bay
Possibly Oakland and East Bay
- Minneapolis (2019)...???TBD

Future Considerations:

New York (2019)
Denver (2019)
Los Angeles (2020)
Bend (2020)
Washington DC (2020)
Honolulu (2020)
Eugene (2020)
Chicago (2021)

Phoenix (2021)

Boston (2021)

Salt Lake City (2021)

San Diego (2021)

Atlanta (TBA)

Austin (TBA)

Seoul (TBA)

Tokyo (TBA)

Seattle and North Puget Sound (TBA)

Tacoma and South Puget Sound (TBA)

Note: We'll take a few years to integrate Seattle and the International chapters.

Tasks we are undertaking:

- Mission statement - to Andrew by October BOA Meeting, which will include: Socials (Black and Orange), Academic/Educational Enrollment/ Recruiting, Philanthropy, Careers, Inclusion, Campus Events.
- Contact Schools for examples by APP and BOA members.
- Ask for volunteers/sign at June BOA meeting.
- One online excellent example is Gonzaga:
<https://www.gonzaga.edu/alumni/membership/chapters>
- Provide input about SF and PDX possibilities, and Seattle existing model - present at the June BOA meeting
- Develop names, symbols, etc. — Through research (Chapters, Clubs etc.), Presidents, Ambassadors, etc. (June meeting): This summer, work on a logo.
- Decide how we go about activating: Thinking that 2-5 at a time to start; suggesting PDX first, then San Francisco, others...as we identify leaders.

Please list any schools you are willing to contact for us, and we will get back to you with a format, questions to ask, etc. Tear off and give to Edgard or Barbara, or later email info to us. Thank you!
