

Lewis & Clark College

Meet & Greet

Tired of posting positions with no results?

Face to face interaction is still the most valuable way to gain qualified applicants, spread brand awareness and develop a pipeline of candidates.

Meet & Greet are organized to be an informal career panel meets networking event. They are invite-only events, intentionally small with only 8-10 employers and L&C Alumni.

Students learn about you and your organization in a brief outline and then network with you at tables.

No booths are required, no swag is needed - be willing to talk with students about your organization, outline opportunities to get involved and make valuable connections!

There is a small fee (\$30) for participation to cover the cost of food for attendees.

Feedback from last year's meet & greets

- "I thought the event was fantastic, and the format was much more conducive to quality conversations than a typical career fair."
- "I have already received multiple email responses from yesterday!"
- "Great student turn out!"
- "I was impressed with the level of complexity of the questions ...I would love to come back to campus!"
