

Coming to Lewis & Clark for an event?

At Lewis & Clark, the safety and health of our community always comes first. To promote the safest possible conditions for our community, **we strongly encourage preventive hygiene practices.**

If you're sick, please stay home and rest.

If you have been advised by public health officials to remain in isolation or quarantine, we ask you to respect the health of our community and follow the public health guidance you have received.

*We look forward to seeing you at future events
when you're feeling healthy again.*

- **Wash your hands** often with soap and water for at least 20 seconds. If soap and water are not available, use an alcohol-based hand sanitizer.
- **Avoid touching** your face, eyes, nose, and mouth with unwashed hands.
- **Avoid shaking hands** or touching other event participants.
- **Don't share** food and drinks.
- **Avoid close contact** with anyone with cold or flu-like symptoms.
- **Clean frequently touched surfaces and objects** such as computer keyboards, door handles, and video remotes.

Please continue to regard health and safety as your top priority. For more information about protection against the Coronavirus (COVID-19 disease):
