

CAREER CENTER SERVICES

Meet individually with a staff member for advice on a variety of career development topics.
To schedule an appointment, visit us online at go.lclark.edu/career_center.

Major & Career Exploration:

Learn about major and career paths. Explore interests, skills, and values; gather information about potential career fields.

Career Assessments:

Complete the Myers-Briggs Type Indicator and the Strong Interest Inventory to learn about and capitalize on your interests and personality. Our staff will review results with you and help determine a plan of action in your career development.

Resume & Cover Letter Reviews:

Receive assistance crafting and customizing professional correspondence that showcases your skills and experience. Resident and Peer Career Advisors can get you started!

Internships:

Get help finding an internship to gain professional experience. Find thousands of national internship possibilities on the National Internship Consortium (NIC) database. Talk to a career advisor to learn about resources, the summer funding opportunities, and other ways to navigate finding career related experiences.

Job Search Planning:

Develop skills around conducting an effective job search. Learn to create a powerful resume and cover letter, research your target market, network in your field, and polish your interviewing skills.

Employer Outreach:

Capitalize on the Career Center's employer outreach in Portland and beyond. Register to attend a Dinner with 9 Pioneers, an Alumni Career Panel, and other speakers and workshops throughout the year to engage and network with interesting and successful professionals. Students can attend an on-campus or Portland area college career fair.

Mock Interviews:

Prepare for an interview with a practice session and receive feedback on interview skills.

Graduate & Professional School:

Explore graduate school options with staff and receive feedback on applications, essays, and personal statements.

Handshake:

Search for jobs and volunteer opportunities via Handshake. Check out upcoming events and create your own career profile to help employers find you.

LinkedIn: Lewis & Clark College Career Network (L&C Net):

Connect to a network of 3,800+ alumni and parents who have volunteered to act as career "experts" to L&C students and alumni in transition.

Pioneer Career Corps (ACC):

Connect with alumni from a variety of fields for practical career advice and mentoring.
