

LEWIS & CLARK COLLEGE
DINAH DODDS ENDOWMENT GRANT PROPOSAL

Because Overseas & Off-Campus Programs are not in operation for the 2020/21 academic year, the Dinah Dodds Endowment grant has been restructured on a temporary basis. Students can apply for grants for research conducted abroad, or conducted domestically in cooperation with an international organization. Faculty can apply for grants to provide honoraria to international speakers for their classrooms or campus symposia.

Applications will be reviewed on a rolling basis.

Name

Proposed Research Location

Date of Request

Amount Requested

Title of Project: _____

Please describe your proposed research project and its relation to international education at the college.

What are the objectives of the project? Why is this project important to you?

Will you be collaborating with anyone in-country or on-campus to make this project possible? If so, who?

Timeline for project/probable duration of project:

One of the missions of the Dinah Dodds Endowment is to internationalize Lewis & Clark. How will your research be made available to the L&C community?

Budget

Minor Items of Equipment (itemize):

Travel:

Miscellaneous (describe):

Total

\$ _____

(maximum grant is typically \$2,000)

Applicant Signature

Date

Approved By Signature
(Department / research representative)

Date

(Students applying for funding must have the signature of a departmental faculty contact.)
