Who will be submitting a letter of recommendation on your behalf?

Finanacial Statement

The committee will receive basic information regarding your financial aid status that will place you in one of the categories listed below. The need figures which underlie the categories are determined in the same way that the Financial Aid Office determines a student's eligibility for financial aid. Categories are established to give the committee a relative understanding of student need across a wide spectrum.

Categories

- Very High - need over $60,000
- High - need $50,000 - $60,000
- Med - need $30,000 - $50,000
- Low - need $1 - $30,000
- No Need - student has sufficient resources to attend LC with no other assistance

Is there is any additional information (to that noted above) that you would like the committee to take into consideration regarding your financial situation as it relates to the pursuit of this internship?
