

Senate Resolution Number SP21 SR001 A Resolution To Consolidate COVID-19 Information

Goals:

- Move to consolidate the COVID-19 dashboard for accessibility
- Increase transparency and help inform L&C community about current matters
- Treat the COVID-19 Resources webpage as a living document that is routinely updated with relevant information

We commend the progress Lewis & Clark College has already made to consolidate COVID-19 resources.

Action:

Make COVID-19 information very easy to access and comprehensive available on the COVID-19 Resources webpage

Advertise the free—for those who sign up using their @lclark.edu email address—Oregonian’s email subscription service that provides daily COVID-19 informational updates regarding positive test results.

Update COVID-19 Resources webpage with relevant emotional and mental health resources

Add socializing and pod advice and guidelines to COVID-19 Resources webpage

- Consolidate COVID-19 related resources and information onto the COVID-19 Resources webpage
- Add [COVID-19 Mitigation Policy](#) to COVID-19 Resources webpage
- Add [Health and Safety Expectations for All Community Members](#) to COVID-19 Resources webpage
- Add [Updated Pod Guidelines](#) to COVID-19 Resources webpage
- Add the most up to date guidelines on what phase Lewis & Clark College is in to the COVID-19 Resources webpage at the very top header (ex: L&C is in enhanced social distancing until you receive a negative test result from the initial pool testing)

“This document shall be submitted to ASLC COVID-19 Task Force, Campus Living, Public Affairs and Communications, Office of Vice President of Student Life.”
