3. Senate Legislation - SP21 SB002

NO: We changed the compensation from stipends to gift cards and we also made sure that it was written down that those who are on senate cannot also get this compensation.

MM: Personally I would rather not vote on this because we just had the full cabinet forum. I want to have a full discussion next time. Motion to table.

PC: Second

AT: I want to make sure that we are okay timeline wise and that it is okay to table it for a week?

JP: Budgets are due tomorrow and I was hoping to get this in the bylaws. I will have

to talk with someone, but I will work on this around what you guys want.

JK: Let's do the tabling vote, if you are interested in waiting please put a yes in the participants tab. Does anyone feel we want to finish this today? Only one objection and that means that it is tabled for next week.

CA: Can we do a strawpoll vote? Since it is just a formality then I am comfortable voting on it right now.

NO: I am not going to go in any way, but if we table, I want the discussion for next week is about the changes that people want made.

JK: I think the straw poll is a good idea, but there is a motion to table.

TP: I would be willing to vote.

PC: I would like to vote, so it is not just sitting there.

JK: If you are in favor of the bill please put yes in the chat. Madeleine is abstaining.

MM: I still feel confused about the gift card and stipend, so I am going to abstain.

JK: I see yesses so far. The bill passes.

AT: Motion to adjourn.

PC: Second
