Cancellations/Refunds: The deposit of \$1,000 is non-refundable unless the trip is cancelled by Lewis & Clark College, and not rescheduled. In that case the deposit will be refunded 100%. Cancellation for under enrollment will be determined by February 25th, 2022 or sooner, and if so, deposit will be refunded 100%. Additional fees collected for the trip, excluding the deposit, are refundable for any reason up until May 25th, 2022. Written cancellation must be received by Lewis & Clark at [alumni@lclark.edu](mailto:alumni@lclark.edu). It can take up to 30 days to process a refund. Individual cancellations after May 25th, 2022 are non-refundable. Of course, Lewis & Clark will always work on behalf of participants with our partners to facilitate a partial refund when possible. The health and safety of the situation in-country and outlined by the itinerary will be monitored daily. If the trip needs to be cancelled for an emergency situation after May 25th, 2022 all fees will be transferred to cover costs of a rescheduled future trip (within 12 months of the original date). Participants are highly advised to purchase Travelers Insurance.

Traveler's Representations: Paying the deposit certifies that you have not recently been treated for, nor are you aware of any physical or other condition or disability that would create a hazard to yourself or other members of this tour, and is also an acceptance of the trip conditions

applicable to the trip and that you have read and understand those conditions. This includes updating Lewis & Clark if your status changes after depositing, up until departure, and during the scheduled itinerary. Travelers are required to be fully vaccinated with a vaccine approved by the United States CDC.

Travel Insurance Information: We recommend that you take out personal travel insurance for your trip. For your reference you can typically get an insurance plan for \$60 - \$80 that will cover \$10,000 to \$25,000 of emergency medical expenses and up to \$200,000 to \$500,000 of emergency medical transportation. Usually there is a time limit for purchasing travel insurance, or at least the best rates, that is timed to date of deposit. In some cases that can be as little as within two weeks. You can find sample policies here: [insuremytrip.com](https://insuremytrip.com) or [allianstravelinsurance.com](https://allianstravelinsurance.com) but you are free to use any provider of your choosing.
