

**Lewis & Clark College 45th Reunion:
June 23-26, 2022**

Greetings!

Picture yourself at Lewis & Clark, all those years ago. What comes to mind? Tapping out papers on manual typewriters? Vietnam War protests in downtown Portland, police on the rooftops? Vietnam falling during the International Affairs Symposium? Nixon resigning in 1974? Discussing women's lib? Pioneering female professors like Susan Kirschner, Irene Hecht and Dinah Dodds? Building the Rusty Nail? Streaking? Skinny dipping in the outdoor pool? Waking up before dawn to get gas during the shortage? Gerald Ford speaking on campus? The 9-hole golf course on lower campus? Sledding on SAGA trays in the snow storm? SAGA health food? Spring Fling? Luau? The International Fair? Jane Fonda speaking on campus? Tommy Smothers performing? When SAGA only started serving ice cream on Sundays? Trick-or-treating at Dr. Howard's house, Happy Jack's Daycamp? Dimers nights (10 beers for 1 dollar)? Listening to Carole King, Stevie Wonder, and Creedence Clearwater Revival?

Your reunion committee is writing today with two simple requests.

- 1) **Save the Date: June 23-26.** Get the Alumni Weekend on your summer calendar. Get ready for a class reception, an on-campus pub, and reconnecting with friends and professors.
- 2) **Get Connected.** Check out our class reunion page on the L&C website at college.lclark.edu/offices/alumni/reunions.

We invite you to come back and share what you have been up to since graduation. Join our class reunion and bring **your** story of the path you traveled after graduation. Alumni Weekend is certainly nostalgic, but for many of us, it is also about reconnecting and sharing our unique journeys.

We are in competition with other classes for fundraising. Participation is critical in our US News and World Report ranking. Every individual donation, regardless of size, matters. Please go to go.lclark.edu/reuniongiving to make a class gift and see where we are in the rankings.

Also, if you are not receiving emails from Lewis & Clark, we may not have your current email address. To get the reunion information, send your current e-mail address to alumni@lclark.edu.

See you in June!

45th Reunion Committee Volunteers
