

## Taking Precautions in Extreme Heat, LC Campus Safety Notice, 7.22.22

The National Weather Service is predicting temperatures in the 90s or higher Monday through Thursday of next week. Please remember that [extreme heat](#) may increase the potential for heat-related illnesses, particularly for those working or participating in outdoor activities. Be prepared to drink plenty of fluids, stay in air-conditioned spaces when possible, and stay out of the sun.

To help those of you who will be on campus, Agnes Flanagan Chapel will be open as a designated air-conditioned cooling station Sunday, July 24 through Monday, August 1, 6 a.m. to 11 p.m.

If you find yourself or someone else in need of emergency assistance on campus, please contact Campus Safety at 503-768-7777.
