

LC Campus Safety Notice: lc-bulletin@lclark.edu

High Wildfire Risk This Weekend

9.9.2022

The National Weather Service has issued a [Red Flag Warning](#) for most of western and central Oregon, which includes the Portland metropolitan area, for today and tomorrow, September 9 and 10. The forecast calls for hot, dry, and windy conditions that can lead to rapid fire spread in grassy and wooded areas.

As a reminder, Lewis & Clark is a [smoke-free campus](#). This means that smoking is prohibited on Lewis & Clark property, adjacent sidewalks, parking lots, recreational areas, athletic venues, and all other outdoor areas managed by the institution.

During this period of heightened fire risk, please do not smoke or engage in other outdoor activities that could ignite a fire, whether on or off campus.

Thank you, and enjoy your weekend!
