Dear Students,

At 12pm PST today, the [2023-2024 Housing Application](#) opens on our housing portal! The Application Phase will remain open until April 2, 2023 at 11:59pm PST.

As you prepare to submit your housing application, please review the following resources:

- [Housing Application Information Webpage](#)
- [Housing FAQ Page](#)
- [How to: Application Phase for 2023-24](#)
- [How to: Pay the housing deposit](#)
- [Living Learning Community (LLC) Information and Application](#)

In addition to the resources mentioned above, we have also created a [2023-24 Housing Application Checklist](#). This additional housing planning resource is a tool for you to use to track completion of housing application tasks. You are able to edit your responses in the checklist form as you complete tasks. Using this checklist is not required but heavily encouraged.

If you have any questions about the housing application process, please email us at living@lclark.edu.

Best,

The Office of Campus Living
