

The Patinaed Class of 1989 presents our 35th reunion
June 20-23, 2024

Hello, friends! Gather with us this summer to celebrate our shared L&C history. We're *Right Here Waiting for You* to register. Reunions only come around every five years. Make this your year to attend. We'll be saving you a spot at dinner. Let's keep our lifetime community thriving!

Can't join us in person in June? There are still ways to be involved. We want you hear from you - see below.

Can you guess the origin of our reunion theme song? The first ten registrants to identify the source will win a special prize! Scan the QR code below to respond.
