

Alumni Weekend, June 20-23, 2024

Dear (Salutation),

Can you believe it's been 15 years since graduation? Crazy right? Remember a cappella groups, the late-night ninja club, Shakespeare metal concerts in the Co-Op, flooding in Hartzfeld? Well football is back at LC and you should be too!

You are invited to Portland this summer! Come back to Palatine Hill and see the newly renovated campus center, meet President Robin Holmes-Sullivan, and sip bubbly in the Bon.

We are writing you today for three important reasons:

- 1) Save the Date. Alumni Weekend is June 20-23, 2024.
- 2) Join the Facebook group (Lewis & Clark College Class of 2009) and check out the website [here](#)!
- 3) Nominate a noteworthy classmate to DJ, speak at an Alumni College, paint faces, or in some other way share their talents with the community. Contact Alumni Weekend coordinator, Ginger Moshofsky '83, ginger@lclark.edu with your suggestions.

If you haven't visited campus in a while, seriously, it's time. Amazing changes have taken place over the last 15 years. Take a campus tour and get up to speed. Stewart and Odell have been renovated and have air conditioning, in case you really want to immerse yourself and stay on campus in Odell. The grounds are as gorgeous as ever.

Despite the changes, LC maintains the same great culture of lifelong learning, uncommon journeys, leadership in service, excellence in faculty research and student collaboration. Choosing Lewis & Clark was a critical step in determining our identities. Our community is broad and deep, and you belong here!

If you're feeling nostalgic as you think back on fond college memories, consider expressing that with a gift to the college. Let's keep our Lewis & Clark memories alive and kicking! Your generosity will make a lasting impact. If you're interested, donate [here](#). We are truly grateful for any consideration you may give.

Mark your calendars and we'll see you in June!
